9669 Huntcliff Trace, Sandy Springs GA 30350 USA

Proven success as an agricultural, sustainability and water resource management consultant, specializing in strategic initiatives in the government and private sectors in the United States and Australia.

Mr Miell has over 25 years' experience in industry and agricultural sectors in areas such as:

- Water resource management, strategies, policy development and program implementation;
- National and statewide water planning and reform;
- National leadership of water resource management in irrigated agriculture;
- Agricultural industry development and asset management;
- Developing and implementing agricultural sustainability and supply chain strategies;
- International grain, pulse and oilseeds market development;
- National agricultural industry political affairs and media relations; and
- Advising on sustainable farm management, climate change policies, greenhouse gas management and carbon abatement and trading options for agricultural industries.

In addition to advising private agricultural investors on their management and strategic investment options, Mr Miell has been retained as a consultant to the Georgia Chamber of Commerce for the past eight years. Mr Miell provides strategic advice on the implementation of the Statewide Water Management Plan, all national and state water and energy policy options and leads the Chamber's Energy and Natural Resources Policy Committee.

Prior to arriving in Atlanta Georgia in 2007, Mr Miell was Chief Executive, NSW Irrigators' Council, representing the interests of approximately 12,000 agricultural water users in New South Wales, Australia and a leader of Australia's irrigated agricultural industry.

Previous career roles include: Chief of Staff to a Minister in Australia's federal parliament; Deputy Chief Executive Officer of the Real Estate Institute of Australia where he was responsible for national property market research and economic analysis. At the Grains Council of Australia (a commodity council of the National Farmers' Federation), Mr Miell was a market analyst and policy advisor.

A graduate of Cunderdin Agricultural College, in Western Australia, Mr Miell is a dual citizen of the United States and Australia.
